MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Overview: Student Mobility Business:

(I) Medicine course 2024:

For healthcare careers, the number of students going abroad to pursue MBBS equivalent degrees in countries such as Russia, Georgia, Kazakhstan, Nepal should grow in 2024 due to a jump in numbers of NEET UG aspirants from 20.87 lac in 2023 to around 24 lac in 2024. The number of seats allocated to medical counseling by MCC in this year will be around 110,000 only. While 50% of these are low-cost government medical colleges offered to the top 2.5% meritorious in NEET UG exam while the balance 50% at private medical colleges costs more than INR 75 Lacs. Accordingly, hardly 5% of the medical aspirants are able to access education in India forcing Indian students who have lower merit or lower budget to choose to study medicine abroad in countries such as Russia, Georgia, Serbia, China, Egypt, Kazakhstan, Kyrgyzstan etc. The NTA Scam and the confusion in the NEET UG exam in 2024 led to a delay of 70 days in the decision making by the students. The state level counselling for the seat allocation by MCC which usually gets completed in July will be done in the month of Sept, 2024 due to the supposedly scam.

A huge number of global universities are approved by National Medical Commission (NMC). Currently, an estimated 57,000 Indian students are in the process of becoming a doctor in 11 different countries. Additionally around 13,000 students study in 5 countries such as Philippines, Armenia, Turkmenistan, Uzbekistan, Moldova etc. MOKSH student mobility division has been in this industry since last 12 years and is one of the most reputed brands in India with 5% market share where it operates as given below.

Sr. No.	Country	Universities	Budget (INR)*	Students
1	Russia / China	100	25 - 30 Lacs	18,000
2	Kazakhstan	10	25-30 Lacs	9,000
3	Kyrgyzstan	12	25-30 Lacs	12,000
4	Georgia / Bangladesh	50	35 - 40 Lacs	14,000
5	Nepal / Serbia / Egypt	15	40 - 50 Lacs	3,400
6	European Union	7	70 - 80 Lacs	500
7	USA via Caribbean	3	100 - 250 Lacs	100
8	Others	25	25-30 Lacs	13,000
TOTAL				70,000

**Budget includes tuition fees, Hostel, Food and other living expenditure*

(II) Online Academy:

- FMGE : Major Problem faced by students choosing MBBS Abroad Program

The students choosing to go abroad have to appear for a License Exam namely FMGE (Foreign Medical Graduate Exam) if they wish to practise as a registered physician. After spending 6 years of studying and a huge amount towards fees and living cost, an

average of 80% of the doctors failed to qualify in FMGE! The result of the last 10 years are given in the below table.

MOKSH Academy trains the students for this exam during their journey of MBBS abroad so that they are ready for the exam right from the beginning. For this, the company has launched an App on Android and iOS system accessed by hundreds of students. This market of FMGE is around INR 500 Crores, almost double that of counseling and placing the students abroad for MBBS (Around Rs. 250 Crores!) MOKSH is the only Indian company in this category providing both the services.

As per the new regulation published by NMC (National Medical Commission), the medical students being inducted in 2024 will also need to appear for such license exam. Around 3.7 Lac students currently study in 700+ medical colleges. With this change in rules, FMGE is renamed as NExT (National Exit Test) for doctors.

Further, the NEET PG for MD / MS seat in India, the students performance in NExT will be considered as the criteria. Accordingly, NExT is announced as license exam for MBBS along with entrance exam for MD / MS in India.

NEET PG coaching is around INR 600 Crore market with 3 major competitors such as Marrow, DAIMS and Prepladder sharing the revenues. With the introduction of NExT for medical students in India, MOKSH Academy is aiming to launch the product in India on 1st Jan, 2025 and take a pie of this market share.

- **Rising demand of USMLE & PLAB:**

The real value, ROI and respect sought by the doctors is at PG level and is not available for MBBS degree holders in the market. However, the ratio of UG to PG medical seats in India is highly skewed in low-cost government medical colleges while the cost of a medical PG in private medical colleges is extremely high. While India produces 110,000 medical graduates, the government medical PG seats are only 16,000! This has led to alternative routes for the medical graduates to shift to US and UK market for their post graduate studies. It is estimated that around 10% of the Indian medical aspirants (Around 30,000) prepare for USMLE and finally around 10,000 students appear for the exam annually. This market opportunity of INR 1,000 Cr. in India needs to be fully tapped by MOKSH Academy.

(III) Study in EU at Indian cost:

With rising aspiration, career orientations and rising income, it has emerged as the 2nd largest country opting for higher education purpose with around 772,000 Indian students going abroad in 2022 to study. Around 80% of the student mobility from India happens for the Masters level. In the next decades to come, the company envisages exponential market growth in student flow to low-cost European countries at the Bachelor level.

For nonmedical careers, for the last 3 decades, the student going abroad has constantly been increasing constantly. The major countries experiencing growth has been English speaking countries such as USA, UK, Australia and Canada wherein more than 6.50 Lac students went from India in 2023. However, the geopolitical and global economic situation has changed forcing new visa regime. The diplomatic problems with Canada and weak economic situation leading to low job market in UK is slowly forcing the students to shift their attention to study in Europe. MOKSH has launched study in Europe and has successfully got several students placed in various universities.

With the rising purchasing power of parents and highly aspirational students, the urge to study abroad among the youth is constantly increasing. However almost 90% of the Indian students prefer to go to English speaking countries. Most of the students looking to study abroad have immigration as their main motive in order to earn better in a better environment. Employment opportunities with basic salary scale in developed countries of EU and English-speaking countries are far better than in India.

The students choose to go to English speaking countries instead of EU is mainly due to:

- The high acceptability of the countries due to trend, promotions and flow
- Comfort with the English language
- Clear career road map of post study work visa and salary scale
- Huge promotions by agents due to high commission offered by the universities
- Easy availability of education loan

With the rising cost of education in India, there is a huge possibility of expanding the number of students who can now study in Europe since the cost of tuition fees in private institutions in India almost matches with the cost to study in Europe at the public universities. Further, the trend till now in India was to go abroad at Master's level. However, in the last decade there is a growing trend to pursue even UG courses as well. Accordingly, MOKSH has signed several agreements with European universities providing Bachelor and Masters level programs in non-medical area such as engineering, humanities, business, management, economics and finance. The countries chosen for these are all in European Union (EU) zone providing high quality education and huge employment opportunities at a better salary scale. The popular countries in EU would be Germany, France, Italy, Lithuania, Latvia, Hungary and Austria. This opportunity offers very low competition leading to higher profitability.

Those having low budget suiting Indian students at UG level can now study in Europe opening a huge business opportunity for MOKSH mobility division. An estimated 60,000 students go to EU countries and can be expanded to 3 times making it a market of INR 500 Crores comfortably.

(IV) Market Opportunity:

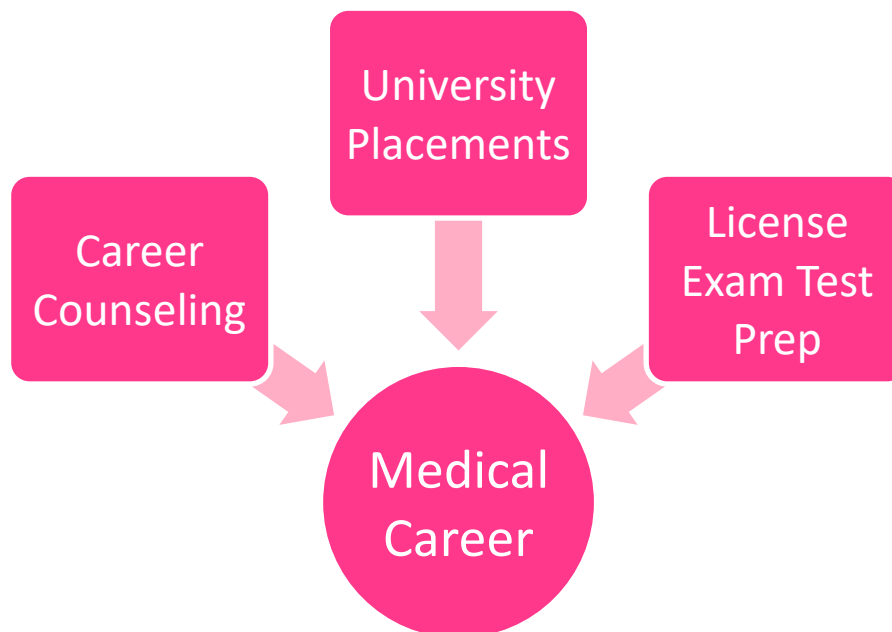

Sr. No.	Product	Market Size	% in 2025	Amount (Cr)
1	MBBS Abroad	INR 250 Cr	3%	INR 7.50
2	Study in Europe	INR 500 Cr	1%	INR 5.00
3	NExT / USMLE Abroad	INR 300 Cr	1%	INR 3 .00
4	NExT India	INR 300 Cr	1%	INR 3.00
5	NExT PG	INR 650 Cr	1%	INR 6.50
6	USMLE	INR 700 Cr	2%	INR 14.00
7	MRCP	INR 350 Cr	1%	INR 3.50
TOTAL		INR 1600 Cr		INR 42.00

Company Overview:

In order to tap this huge market, the company is operating in 3 different but highly complementing segments. While it started the journey by providing options to the students to become doctors, it is now coaching thousands of medical aspirants in 7 different countries including India. Further, it aims to launch India's first chain of primary healthcare clinics with an innovation of “**Edu-Clinics**” operated by doctors.

**Changing the Medical abroad product offering:**

The company has evolved as the sole provider of dual services of career counseling & advising medical aspirants to study medicine abroad under **MOKSH** brand along with preparation of the students for their global medical license exams under **MOKSH Academy** brand by ed tech division. This unique positioning in the market has allowed distinguishing the brand from other education agents. While average revenue per student for an education agent is no more than INR 150,000, in case of MOKSH it crosses INR 325,000 creation of a profitable business case justifying CAC (Customer Acquisition Cost).

Innovation in License exam Test Prep:

The medical education provided to the students at the colleges is conceptual while the license exam leading to practice is based on the application of the theory. The success in such exam technology platform providing individual learning opportunities along with progress tracking and constant assessment by the mentors. MOKSH Academy has developed a unique technology as well as methodology allowing it to become responsible for the student success.

The ed-tech division under MOKSH Academy provides global medical license preparation solution to students from medical colleges across India. It has emerged as one of the most expensive and premium category products in the market selling at double the cost of a well-established US based competition. It enjoys 100% pass out rates from the academy in USMLE.

The acceptance of any brand in the test prep segment is based on the successful careers created by it. It generally takes 3 years of incubation and 2 years of producing success stories. MOKSH Academy division was launched in 2018 and has passed colorfully through this fire test and is poised to grow.

Launch of EU countries for non-medical courses:

MOKSH signed contracts with various universities and have launched the services to guide and place the students in EU countries for non-medical courses. It is expecting to place around 100 students successfully. Further the product involves concept sales and market creation leading to a requirement of a channel leading to B2B sales to reach to cater to the large demand. Since every student who is studying in India can afford such courses, it has opened a huge new market for company's student mobility division.

Tapping the huge market:

The company has taken initiatives to tap the huge market potential of student mobility and coaching by various strategies. It has launched different brands and marketed in across India for these products. The company approaches the large market and is tapping through strategic steps taken in various directions such as Retail, Channel and Institution sales.

Currently, the sales of all the products are handled from the Bhopal center centrally on B2C basis. The training of all the counselors for the branches across India takes place at this center which is operated by the whole time director Mr. Brijesh Sharma.

Channel - B2B Sales:

With student mobility and Academy products being sold and delivered for the last 12 years in India, the natural step for the company is to expand the volumes by tapping into unorganized sector of small education agents spread across India and various other countries. MOKSH has launched its own B2B global technology platform under the brand name of XERA. The applications from various agents from India, Dubai, and Qatar had started in 2023 and added further to Srilanka, Germany making it a rare Indian company to go global.

Institutional Sales:

The company has signed an agreement with University of Georgia in Tbilisi to provide USMLE Step 1 and Step 2CK test preparation course to the students opting for the same. Accordingly, the university has launched Integrated American Medicine Program consisting of their standard medicine course integrating MOKSH Academy USMLE coaching. This has allowed the company to open a whole new market to tie up with other Indian & global medical colleges & universities to sign institutional contract to enhance the revenues and penetrate the market further.

The management has signed an exclusive contract to place Indian students to Kokshetau State University in Kazakhstan. The university has agreed to launch Integrated NExT Batch in which every student will get access to MOKSH Academy platform to prepare for the exit exam. The company has decided to add its presence here after proper inspection of the university, its infrastructure and quality of education along with hospital affiliations before introducing the university into this market. INDEPENDENT AUDITOR'S REPORT

To the Members of Moxsh Overseas Educon Limited (formerly known as Moxsh Overseas Educon Private Limited),

Report on the audit of the Standalone Financial Statements**Opinion**

We have audited the accompanying Standalone financial statements of **MOXSH OVERSEAS EDUCON LIMITED** ("the Company") which comprises the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss and the cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the relevant rules issued there and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its losses, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Revenue recognition: Revenue is one of the key performance indicators of the Company and there could be a risk that revenue is recognized in the incorrect period or before the control has been transferred to the customer.</p>	<p>Our audit procedures in relation to revenue recognition includes the following:</p> <ul style="list-style-type: none"> • Assessed the appropriateness of the revenue recognition accounting policies and assessed compliance with the policies in terms of applicable accounting standards. • Tested the design and operating effectiveness of the controls around revenue recognition. • Verified customer registration forms, invoices raised on sample basis. • Assessing journal entries posted to revenue to identify unusual items not already covered by our audit testing • Evaluated management's assessment of the impact on revenue recognition and consequential impact on the provisions on receivables.

Other Information

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Financial Statements

The Company's management and the Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting

principles generally accepted in India, including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have audited the internal financial controls over financial reporting of Moxsh Overseas Educon Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITOR'S REPORT

To the Members of Moxsh Overseas Educon Limited (formerly known as Moxsh Overseas Educon Private Limited),

Report on the audit of the Consolidated Financial Statements

Opinion

Moxsh Overseas Educon Limited (“the Company”) and its subsidiary company i.e. **Meduclinic Healthcare Private Limited** (the Company and its subsidiary together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flow for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the relevant rules issued there and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2024, its losses, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the ‘*Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements*’ section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Revenue recognition: Revenue is one of the key performance indicators of the Group and there could be a risk that revenue is recognized in the incorrect period or before the control has been transferred to the customer.</p>	<p>Our audit procedures in relation to revenue recognition includes the following:</p> <ul style="list-style-type: none"> • Assessed the appropriateness of the revenue recognition accounting policies and assessed compliance with the policies in terms of applicable accounting standards. • Tested the design and operating effectiveness of the controls around revenue recognition. • Verified customer registration forms, invoices raised on sample basis. • Assessing journal entries posted to revenue to identify unusual items not already covered by our audit testing • Evaluated management's assessment of the impact on revenue recognition and consequential impact on the provisions on receivables.

Other Information

The Group's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Other Matter

We did not audit the financial statements of the subsidiary company included in the Consolidated Financial Statements whose financial statements reflect total assets of INR 23.16 lakhs as at March 31, 2024, total revenues of INR 92.24 lakhs and net cash inflows amounting to INR 0.04 lakhs for the year ended on that date. These financial statements have been audited by M/s. Dinesh Rajgor & Co. ('other auditor') whose

reports have been **furnished to us** by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-

sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditors.

Our report is not modified in respect of the matters specified in Other Matter paragraph.

Responsibilities of Management and those charged with governance for the Consolidated Financial Statements

The Group's management and the Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the

economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to

communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and by other auditor for its subsidiary company included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO report

Annexure A to The Independent Auditor's Report of even date on the consolidated financial statements of Moxsh Overseas Educon Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****To the Members Moxsh Overseas Educon Limited**

We have audited the internal financial controls over financial reporting of Moxsh Overseas Educon Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the

assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note

on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
